

Health Care Reform?

It's **not** Insurance Companies.

It's an Overspending Government.

You Ruined Social Security,
Medicare, Medicaid, Amtrak,
the Post Office and now you want
to give us a Public Option that cannot

Where's your common Sense?

Health Care Reform?

It's **not** Insurance Companies.

It's an Overspending Government.

You Ruined Social Security,
Medicare, Medicaid, Amtrak,
the Post Office and now you want
to give us a Public Option that cannot

Where's your common Sense?
